115,000 TONS COAL

New York Receives 87,000 Tons From Wales in Seventeen Ships ...

IMPORTED IN WEEK

STATE BARGE CANAL TO BRING COAL HERE

New England, Too, Will Be Served by Water Route.

Special Disputch to THE NEW YORK HERALD.

Bulgaria and Rumania, atr MEDALI Milk.

New York Heraid Bureau.
Albaaya Aug. 20.

Charles L. Cadle, State Superintendent of Fublic Works, is planning to make the State Burgerintendent of Fublic Works, is planning to make the State Burger Annual State of the main artery of transportation in the distribution of coal to the people of New York and the New England States this fall. He said to-day that the railroads would be unable to cope with the situation after the strike was over and coal again make up the shortage caused by four months of idleness there will be a domand for a quick delivery of a vast amount of fuel. The canal is prepared to relieve the coal congestion on the railroads.

"The barge canal," said Mr. Cadle, "The barge canal," said Mr. Cadle, "Free densely populated centers will need coal in the largest amounts and when the railroads reach the limit of their capneity the canal is prepared to relieve the realroads reach the limit of their propared to relieve the coal congestion on the railroads, "The barge canal," said Mr. Cadle, "Free densely populated centers will need coal in the largest amounts and when the railroads reach the limit of their capneity the canal is prepared to them, it has been thought that the carrying of freight on the canal is for Arores Islands and Gibraitar and Italy, strike them, it has been thought that the carrying of freight on the canal is for Great Bailting, 1990, strike and the countries mentioned in notes their estimation. I am confident that the canal can deliver coal all needs are and can deliver coal all needs are an expectation of the carrying of freight on the canal is for Great Bailtin, Ireland Robert and China, Steries Proper Indian fident that the callalong its route faster than the railroads can. When a fleet of coal barges
starts on its trip there is nothing to
hold it up until it reaches its destination. There is no such thing on the
barge canal as sidetracking fleets of
barges for days at a time. When the
barges start they keep moving."

FUEL OIL, DUTY FREE, PLEASES SHIP OWNERS

Senate, They Believe, Dealt Intelligently With Problem.

The American Steamship Owners Association of 11 Broadway announced Association of 11 Broadway announced yesterday that American shipping more are pleased with the action of the Serate in rejecting the duty of 25-cents a barrel on fuel oil which the mid-continental producers were seeking and against which the association protested. It is asserted as the opinion of the ship owners that the action of the Serate indicates that Senators are disposed to deal intelligently and in a friendly way with the problems of the American merchant marine. rchant marine.

DERUTRA TO OPEN OFFICE HERE

man to Russian Ports.

As a result of conferences held in Ber-im and Hamburg last month, it was an-mounced yesterday, the operations of the Russo-German company called Derutra are to be expanded and a branch office is to be openin in this city, with Clifford N. Carver of Baker, Carver & Morrell,

Charge.

Derutra has headquarters in Hamburg. at was formed a year ago by Russian and German interests to transport Russian goods delivered at German ports and destined for delivery in Russia.

WHITE STAR FLIGHTS TO PARIS. PO Passengers from New York via the Majestic, Olympic and Homeric, landing at Cherbourg, will be privilesed to complete the journey to Paris by airplane if they wish, it was announced yesterday by the White Star Line. Tickets will be sold on the ships. Two types of planes are used, making the journey in two and one-half hours and two hours. The average train time is seven hours.

CHEMICAL SHOW OPENS

CLOSING OF MAILS.

Foreign mails will close promptly as indicated below at the General Post Office and City Hall Station. Ordinary prints, samples, parcel post packages and registered articles close two heurs earlier, except that registered articles have to be mailed between the hours of 8 AM and 12 PM. At the Foreign Station (corner of Morton and West streets) foreign mail closes half an hour later than at the General Post Office and City Hall Station, supplementary mail closes at the General Post Office and City Hall Station, where double postage is required. SUPPLEMENTARY MAIL (double postage required) closes at the Poreign Station half an hour later than the supplementary closing time shown below, except that supplementary mail for European countries and for Central America, 6c, via Cristobal, closes one hour later. Whenever mail vessels sail between the hours of 9 AM and 6 PM a supplementary mail pest office on the steamship pier is open to the public 1½ hours before the scheduled sailing time. Double postage required. The steamers for which supplementary mail is accepted on the pier at time of sailing are shown below by a dagger (f) following time of closing of mail.

TRANSATLANTIC MAILS.

TUESDAY, AUGUST 22.

Last week's receipts of coal from Wales at north Atlantic ports totaled 115,000 tons and 200,000 tons is scheduled to arrive this week, so the inward movement indicated by charters in July and early in August may be said to be well under way. Indications are that the countries mentioned in note A below, weekly throughout September.

At New York last week seventeem ships brought 87,000 tons, making the fotal of the boards countries mentioned in lose A and Enthalment were heavier than New York's, making to total of 96,000 tons. Beston's imports the early days of the movement were heavier than New York's, making a total of 96,000 tons since July 1.

Additional coal charters announced system of the early days of the movement were heavier than New York's, making a total of 96,000 tons since July 1.

Additional coal charters announced system of the early days of the movement were heavier than New York's, making a total of 96,000 tons since July 1.

Additional coal charters announced for the weekly the Shipping Board were for the West Gotomska, \$5,00 deadweight tons Hegira, 1: 10 chillings a compact post mails for Aroses Islands, and Clerbourg (mail must be specially addressed) via place of the board's coal fixtures to 68.

Latest receipts of coal cargoes represented an investment of 30 shillings a found not other side and an ocean freight rate of 7 shillings 8 pence to 9 shillings, or a cost laid down at New York have reight rate of 7 shillings 8 pence to 9 shillings, or a cost laid down at New York have reight rate of 7 shillings 8 pence to 9 shillings, or a cost laid down at New York have reight rate of 7 shillings, about the price in the first days of the movement.

The corrected reading of the barometer (reduced to sea level) at New York on Sunday, Aug 20, 1922, at 8 AM, as reported by the United States Weather Bureau, was twenty-nine and eighty-two hundredthe (29.82) inches. This closely approximates seven hundred and fifty-seven and four-tenths (37.4) millimeters. Captains of all vessels now lying in or near the ports of New York and Brooklyn can advantageously use the above official data for observing whether their own barometers require any considerable correction or adjustment.

NOTICE TO MARINERS.

The Hydrographic Office under the Navy Department is established to aid mariners. It publishes nautical charts, books, tables and periodicals. It broadcasts by radio all urgent information involving danger to vessels. Its branch offices have the latest hydrographic information of all parts of the world and are prepared to serve mariners in many ways. Mariners are invited to call at the branch offices between the hours of 9 and 4:30, where they will be corulally welcomed. All mariners are requested to forward promptly to the nearest branch office all hydrographic information. The Branch Hydrographic Office, New York, is situated at 75-00 Broad st.
